

CITY OF MILWAUKEE
NEIGHBORHOOD TRAFFIC MANAGEMENT PROGRAM (NTMP)
REQUEST FOR TRAFFIC STUDY PETITION FORM

Date Petition Received by City staff: _____

Aldermanic District # _____

We, the undersigned residents, are requesting the City of Milwaukee conduct a traffic study on _____
Insert Street Name/Block Number(s)
 and/or at the intersection of _____ and _____
Insert Street Name *Insert Street Name*

We, the undersigned, understand that this petition is to initiate a traffic study *only*. The traffic study will collect the data on the amount of traffic (traffic volume), the speed at which traffic is traveling, and the accident history on the block(s)/intersection(s) listed above. This petition is *not* intended to authorize the approval or construction of any traffic calming treatments or other changes to the street. The traffic study results will be evaluated to determine if a significant safety problem(s) exists and the street/intersection should be considered for traffic calming or other safety improvements. ***The abutting property owners are assessed a portion of the construction cost.***

Please collect signatures from at least 50% of the residents on the impacted block(s). If you are unsure what area you need to collect from, please contact the City's NTMP staff at gabriel.ikpeme@milwaukee.gov or (414) 286-3667.

** Please print as many sheets as needed for your neighborhood petition area and note the number of pages at the bottom. PLEASE WRITE LEGIBLY!

NAME (PRINTED)	STREET ADDRESS (incl. apt #, if applicable)	PHONE/EMAIL	SIGNATURE
