○ Upcoming events

- i. **June Neighborhood Meeting:** Come to our much-anticipated meeting at Sanger House Gardens on Tuesday, June 20th. The garden is beautiful at every time of year, but especially in early summer! We will have food from a local vendor and other refreshments. Special guest speakers include Katie Sanders from the Milwaukee Public Museum and Kristen Harris from Versiti. We hope to see you there!
- ii. **June Tap Yard Event :** Wednesday, June 28th. Keep an eye out for details!
- iii. **Block Party:** Saturday, August 26th. We've already started to advertise. Keep an eye out for yard signs and a newly painted sign at the corner of Reservoir and Palmer. More to come!

IV. Development, Licenses & Permits

- The board has been working on updating our **questionnaire for business license applications** near the neighborhood. The change will clarify for potential businesses how to navigate hours of operation and how to avoid neighborhood concern over excessive late night hours.
- We are also looking into possibly assisting with a **neighborhood rummage**. More to come!

V. Old Business

- **Spring Clean-up:** Spring Clean Up was a success! Almost 40 people showed up to help beautify our neighborhood spaces. Thank you to all who attended. Next year, we hope to raffle off some trash-pickers to help promote year-round neighborhood beautification.
- **Short Term Rentals:** Our most recent listening session was well attended by both neighbors and outside investors. Check out our website for more information and resources relating to this very important work.
- **Teacher Appreciation at Carver:** The board was able to secure 100% of the money needed to treat the staff of Carver to a lunch during Teacher Appreciation week - along with handing out coffee and donuts! Thank you Carver staff for the incredible and often thankless work that you do!

VI. **Adjournment:**

- Next BOD Meeting: Tuesday, June 27th (Evan lead, at his home- outside depending on weather)
- Meeting adjourned (8:15)
